Dear Stephanie Meyn:

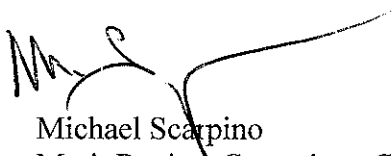

SUBJECT: Funding Opportunity Announcement (FOA) DE-PS26-09NT01236-04 "Clean Cities FY09 Petroleum Reduction Technologies Projects for the Transportation Sector"

Congratulations! This letter is to provide you notice that your application entitled, "Puget Sound Clean Cities Petroleum Reduction Project" submitted under the subject announcement has been selected for negotiations leading to a financial assistance award of up to \$14,999,927 with your organization. The U.S. Department of Energy (DOE), National Energy Technology Laboratory (NETL) on behalf of the Office of Energy Efficiency and Renewable Energy is responsible for processing this award.

A Contract Specialist or Project Manager from the National Energy Technology Laboratory will contact you shortly regarding the process of negotiating an award and to discuss any further information that is needed in order for an award to be finalized.

On behalf of the Department of Energy, I would like to express a sincere appreciation of your interest and participation in the Office of Energy Efficiency and Renewable Energy's Vehicle Technologies Clean Cities Program. The Department looks forward to initiating this worthwhile project. Any questions regarding this notification can be addressed to me at (412) 386-4726 or Michael.Scarpino@NETL.DOE.GOV.

Sincerely,

Michael Scarpino
